

Being a good winner

Talking Matters

Sometimes I win
games.

I feel good when I
win.

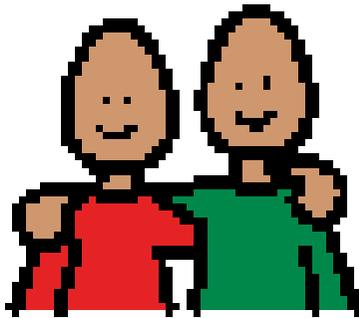

If I am the winner
someone else is
the loser.

When people lose
sometimes they
feel sad.

I can be a winner
and still be a good
friend.

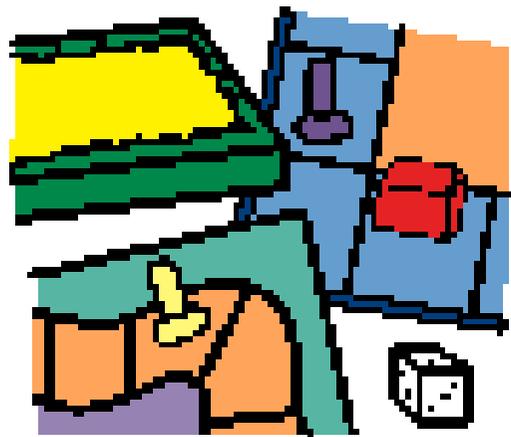

Good winners can
say:

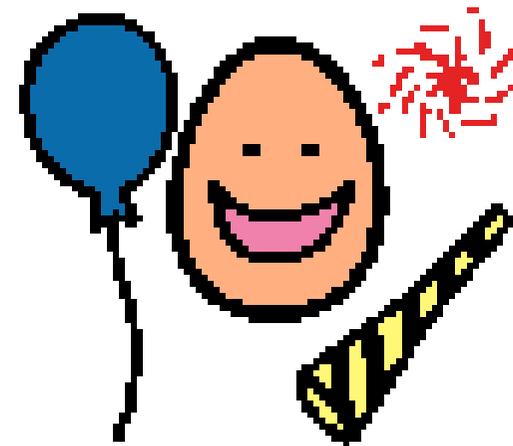

Thanks for playing

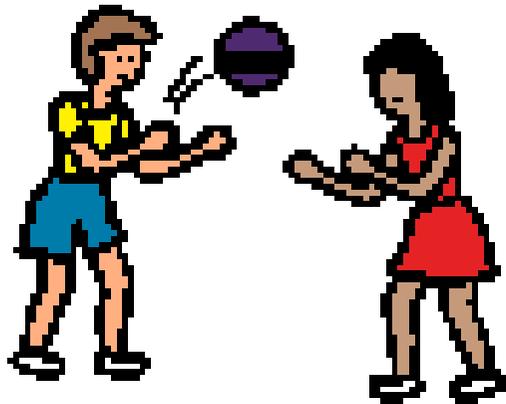

Thanks for the
game.

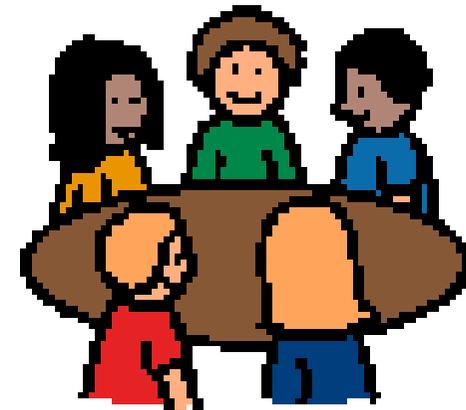

I had fun, I hope
you did too.

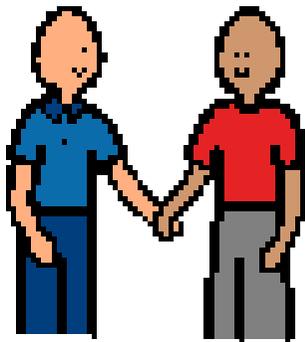

You played well!

I liked playing with
you.

If I am a good
winner people will
want to play with
me again!
